## PROFILE

My name is Cordell Johnson and I have many great qualities to offer this company. I am very knowledgeable in my major of computer science while also having many transferable skills. Some of my transferable skills include the ability to multitask, leadership skills, critical thinking, ability to make decisions under pressure, and strong time management.

## EDUCATION

**High school Diploma, GPA: <3.6** June 2023  
*High School for Health Professions*

**Dual Enrollment, GPA:<4.0** June 2023  
*OcTech*

**Bachelor of (Computer Science ), GPA: <3.8** May 2027  
*Benedict College* Columbia, SC  
*Major: Computer science*  
*Minor: cybersecurity*

## RELEVANT COURSEWORK

**Course Title:** Data Logic, Assembly Language, Fundamentals of App Dev, Computer security, Intro to A.I., Java Programming, Data Comm & Networking, Psychology, Historic Art

## EXPERIENCE

**Position Title: Shift leader** March 13<sup>th</sup>, 2020 – July 12<sup>th</sup>, 2021  
McDonald's Reevesville, SC

- My role was to make sure that the crew members were operating like a well oiled machine. I needed to make sure everyone were doing their jobs at all times so everything could flow freely. If they weren't doing their job I had to give either a warning, suspension, or termination. I also made sure costumers were highly satisfied at all times during my time working as shift leader.

## EXPERIENCE

**Position Title: Maintenance** June 06<sup>th</sup>, 2022 - August 07<sup>th</sup>, 2022  
*UpRys/SCworks* Orangeburg, SC

- My role was to make sure all rooms inside of the schools were cleaned thoroughly . I had to move all furniture out of the classrooms and put everything back in once I got done cleaning the rooms. The weight of everything well exceeded 25 pounds. I also had to cut the grass of the whole campus while also picking up any trash that I saw. The grass has to be cut every week while doing constant walks around the campus looking for any trash to pick up and throw away. I left because school was starting back so the job position came to an end.

## EXPERIENCE

**Position Title: Car Wash Attendant** July 01<sup>st</sup>, 2024 – November 07<sup>th</sup> ,  
2024 Tidal wave

- My role was to provide friendly and enthusiastic customer service, try to enroll customers into the car wash club at the gate, scrub vehicles before they went through the tunnel, safely guide the customers onto the tunnel conveyor, made sure all the vacuums were working properly, and made sure all the customers were good in the vacuum area.

## SKILLS

**Computer:** Python, C++, swift and Java
